

Yachtpro Suggested Cruising Routes

Please note: Due to the less predictable nature of the weather in the south-westerly season, we try to sail the routes below but cannot always guarantee it due to the weather and prevailing seas. This season has less available anchorages so we need flexibility to ensure safety so we may end up spending the occasional night in un-programmed anchorages.....adding to the adventure.

3 Day - Phang Nga Bay Cruise

Sail through the awesome and world famous Islands of Phang Nga Bay.
