

Learn to Sail on Your Holiday & Discover Sailing in Paradise

Yachtpro is enthusiastic about taking your first steps in sailing with you and offers two internationally recognized sail training programs, specifically designed for Novice Sailors.

All Courses can be booked on a Private, 2 Student, 3 Student or Group basis.

They operate on a daily basis starting at 9:00am and Discover Sailing can optionally be booked to start at 1300.

Discover Sailing and Introductory Courses can be booked on either Keelboats or Yachts, the latter provided for larger groups or those looking for a little more comfort.
